Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Draft resolution submitted by the Chair

Question of Montserrat

The General Assembly,

Having considered the question of Montserrat and examined the relevant chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples for 2018,[1]

Taking note of the working paper prepared by the Secretariat on Montserrat[2] and other relevant information,

Recognizing that all available options for self-determination of the Territory are valid as long as they are in accordance with the freely expressed wishes of the people of Montserrat and in conformity with the clearly defined principles contained in General Assembly resolutions 1514 (XV) of 14 December 1960, 1541 (XV) of 15 December 1960 and other resolutions of the Assembly,

Expressing concern that 58 years after the adoption of the Declaration on the Granting of Independence to Colonial Countries and Peoples,[3] there still remain 17 Non-Self-Governing Territories, including Montserrat,

Conscious of the importance of continuing the effective implementation of the Declaration, taking into account the target set by the United Nations to eradicate colonialism by 2020 and the plans of action for the Second[4] and Third International Decades for the Eradication of Colonialism,

Recognizing that the specific characteristics and the aspirations of the people of Montserrat require flexible, practical and innovative approaches to the options for

self-determination, without any prejudice to territorial size, geographical location, size of population or natural resources,

Convinced that the wishes and aspirations of the people of the Territory should continue to guide the development of their future political status and that referendums, free and fair elections and other forms of popular consultation play an important role in ascertaining the wishes and aspirations of the people,

Concerned by the use and exploitation of the natural resources of the Non-Self-Governing Territories by the administering Powers for their benefit, by the use of the Territories as international financial centres to the detriment of the world economy and by the consequences of any economic activities of the administering Powers that are contrary to the interests of the people of the Territories, as well as to resolution 1514 (XV),

Convinced that any negotiations to determine the status of the Territory must take place with the active involvement and participation of the people of the Territory, under the auspices of the United Nations, on a case-by-case basis, and that the views of the people of Montserrat in respect of their right to self-determination should be ascertained,

Noting the continued cooperation of the Non-Self-Governing Territories at the local and regional levels, including participation in the work of regional organizations,

Mindful that, in order for the Special Committee to enhance its understanding of the political status of the people of Montserrat and to fulfil its mandate effectively, it is important for it to be apprised by the United Kingdom of Great Britain and Northern Ireland as the administering Power and to receive information from other appropriate sources, including the representatives of the Territory, concerning the wishes and aspirations of the people of the Territory,

Aware of the importance both to Montserrat and to the Special Committee of the participation of elected and appointed representatives of Montserrat in the work of the Committee,

Recognizing the need for the Special Committee to ensure that the appropriate bodies of the United Nations actively pursue a public awareness campaign aimed at assisting the people of Montserrat with their inalienable right to self-determination and in gaining a better understanding of the options for self-determination, on a case-by-case basis,

Mindful, in that connection, that the holding of regional seminars in the Caribbean and Pacific regions and at Headquarters, with the active participation of representatives of the Non-Self-Governing Territories, provides a helpful means for the Special Committee to fulfil its mandate and that the regional nature of the seminars, which alternate between the Caribbean and the Pacific, is a crucial element in the context of a United Nations programme for ascertaining the political status of the Territories,

Welcoming the Pacific regional seminar on the theme "Implementation of the Third International Decade for the Eradication of Colonialism: towards the achievement of the Sustainable Development Goals in the Non-Self-Governing Territories — social, economic and environmental challenges", held by the Special Committee in Saint George's and hosted by the Government of Grenada from 9 to 11 May 2018, as a significant and forward-looking event, which enabled the participants to assess progress made and address challenges faced in the decolonization process, review the existing working methods of the Committee and renew its commitment to implementing its historic task,

Recognizing the importance of the conclusions and recommendations adopted by the seminar, which are annexed to the report of the Special Committee[5] and which outline the findings of the seminar, including, especially, the way forward for the decolonization process within the context of the proclamation by the General Assembly of the period 2011–2020 as the Third International Decade for the Eradication of Colonialism,[6]

Noting the statement made by the Premier of Montserrat at the 2018 Pacific regional seminar, in which he expressed the view that the previous request made for the removal of Montserrat from the agenda of the Special Committee should be reversed,

Noting also the information provided by the Premier that Montserrat could not achieve its development goals if its economic dependency continued, compounded by ongoing financial challenges, and that securing funding for rebuilding key infrastructure lost and helping evacuees from the 1995 volcanic crisis required an intervention from the Special Committee as a neutral partner,

Noting further the request made by the Premier for a visiting mission of the Special Committee to the Territory, which could also include meetings with evacuees in Antigua and Barbuda, the United Kingdom and the United States of America,

Noting with appreciation the contribution to the development of some Territories by the specialized agencies and other organizations of the United Nations system, in particular the Economic Commission for Latin America and the Caribbean, the Economic and Social Commission for Asia and the Pacific, the United Nations Development Programme and the World Food Programme, as well as regional institutions such as the Caribbean Development Bank, the Caribbean Community, the Organisation of Eastern Caribbean States, the Pacific Islands Forum and the agencies of the Council of Regional Organizations in the Pacific,

Noting with concern the continuing consequences of the 1995 volcanic eruption, which led to the evacuation of three quarters of the population of the Territory to safe areas of the island and to areas outside the Territory and which continues to have enduring consequences for the economy of the island,

Acknowledging the continuing assistance provided to the Territory by States members of the Caribbean Community, in particular Antigua and Barbuda, which has offered safe refuge and access to educational and health facilities, as well as employment for thousands who have left the Territory,

Noting the continuing efforts of the administering Power and the territorial Government to deal with the consequences of the volcanic eruption,

Recalling the importance of improving the infrastructure and accessibility of Montserrat, as conveyed by the Premier of Montserrat to the Chair of the Special Committee in their meeting on 11 May 2015,

Cognizant of the potential usefulness of regional ties for the development of a small island Territory and of the Territory's membership in the Caribbean Overseas Countries and Territories Council,

1. *Reaffirms* the inalienable right of the people of Montserrat to self-determination, in conformity with the Charter of the United Nations and with General Assembly resolution 1514 (XV), containing the Declaration on the Granting of Independence to Colonial Countries and Peoples;

8. *Calls upon* the administering Power, the specialized agencies and other organizations of the United Nations system, as well as regional and other organizations, to continue to provide assistance to the Territory in alleviating the consequences of the volcanic eruption;

9. *Stresses* the importance of the Special Committee being apprised of the views and wishes of the people of Montserrat and enhancing its understanding of their conditions, including the nature and scope of the existing political and constitutional arrangements between Montserrat and the administering Power;

10. *Calls upon* the administering Power to participate in and cooperate fully with the work of the Special Committee in order to implement the provisions of Article 73 *e* of the Charter and the Declaration and in order to advise the Committee on the implementation of the provisions under Article 73 *b* of the Charter on efforts to promote self-government in Montserrat, and encourages the administering Power to facilitate visiting and special missions to the Territory;

11. *Stresses* the importance of the invitation extended by the territorial Government for a visiting mission by the Special Committee, calls upon the administering Power to facilitate such a mission, and requests the Chair of the Special Committee to take all the steps necessary to that end;

12. *Reaffirms* the responsibility of the administering Power under the Charter to promote the economic and social development and to preserve the cultural identity of the Territory, and requests the administering Power to take steps to enlist and make effective use of all possible assistance, on both a bilateral and a multilateral basis, in the strengthening of the economy of the Territory;

13. *Takes into account* the 2030 Agenda for Sustainable Development,[7] including the Sustainable Development Goals, stresses the importance of fostering the economic and social sustainable development of the Territory by promoting sustained, inclusive and equitable economic growth, creating greater opportunities for all, reducing inequalities, raising basic standards of living, fostering equitable social development and inclusion and promoting the integrated and sustainable management of natural resources and ecosystems that supports, inter alia, economic, social and human development, while facilitating ecosystem conservation, regeneration, restoration and resilience in the face of new and emerging challenges, and strongly urges the administering Power to refrain from undertaking any kind of illicit, harmful and unproductive activities, including the use of the Territory as an international financial centre, that are not aligned with the interest of the people of the Territory;

14. *Requests* the Territory and the administering Power to take all measures necessary to protect and conserve the environment of the Territory against any degradation, and once again requests the specialized agencies concerned to monitor environmental conditions in the Territory and to provide assistance to the Territory, consistent with their prevailing rules of procedure;

15. *Requests* the Special Committee to continue to examine the question of Montserrat and to report thereon to the General Assembly at its seventy-fourth session and on the implementation of the present resolution.
